S I R:

Attention is respectfully directed to the items of information (copies enclosed) listed on the attached Form PTO/SB/08A. All of these items are cited in a communication from the Japanese Patent Office (copy also enclosed, and listed on the attached Form PTO/SB/08B) dated December 25, 2007, in applicants' counterpart Japanese patent application.

A translation of the communication from the Japanese Patent Office is submitted herewith to provide a concise explanation of the relevance of the enclosed items, which are published Japanese patent applications. In addition, an English abstract of each of these items is supplied (note that the abstract of JP 2-45247 bears a different publication number but is an abstract of the same Japanese patent application).

The communication from the Japanese Patent Office also cited another published Japanese Patent Application, JP 09-212918, which was listed in an submitted with a previous Information Disclosure Statement in the above-identified application and is accordingly not supplied herewith.

I hereby state that each item of information contained in this Information Disclosure Statement was first cited in any communication from a foreign patent office in a counterpart foreign application not more than three months prior to the filing of this Information Disclosure Statement.

If any fee is required in connection with this Information Disclosure Statement, please charge the amount of such fee to Deposit Account No. 03-3125.

Respectfully,

Christopher C. Dunham
